Title : Archimedes On Balance, 2020
Size : 90cm x 120 cm
Medium : Oil on canvas
Collection of Puan Zunaidah Shamsuddin

Archimedes on Balance from the inner sanctum series pursue the beauty of knowledge and how it relates and connects human knowledge to their own experiences. It portrays each layer of our experiences with the fundamental visual elements of balance and movement. It began as building blocks that represent each of our constituent characters. These experiences made us who we are now, as the layers connect in a never-ending circle.
